

1. CLEAN SWEEP PROMO

SW26 & RSW28 Vacuum Sweepers

Both the SW26 and RSW28 vacuum sweepers have unmatched machine engineered features, high valued productivity, with simplicity in mind.

2. MULT-SURFACE PROMO

MSB-19 ORB Dual Action Orbital

The Pacific MSB-19 ORB is the most versatile lithium-ion battery powered, dual action orbital floor machine. It has all the benefits of the Pacific MSE-19 ORB cord-electric but with the added convenience, flexibility, and portability of a battery machine. The MSB-19 ORB is many machines in one: carpet cleaner, floor scrubber, finish remover, tile & grout cleaner & much more.

3. UPRIGHT VACUUM PROMO

V12ES & V15ED UPRIGHT VACUUMS

The V12ES and V15ED upright vacuums feature best in class specifications and innovations with end user needs in mind. These unique vacuums feature durable construction and excellent soil removal from carpet fibers. The no tools access to the brush roller and clean out port make them easy to maintain.
